

Debit Plans

Dealing with your children's school money just got a lot easier! You can now add money to their accounts for meals, pay for school-related fees online securely and even see what they are buying. You may have previously used www.K12PaymentCenter.com to access your child's meal account, but now the website is new and improved, with more features that make it easier to manage your child's account.

If you already have an online payment account, just login with your current login credentials. All of your information will be transferred over. If you haven't used the website before, go to www.K12PaymentCenter.com and click "Register Now" to create an account. Select Central Catholic High School - Metz Culinary Management from the drop-down lists of school districts, fill in your information, input your credit or debit card information and you're ready to go! Note that you will need your child's student ID number; simply contact us for their ID number and with any other questions you may have.

How the Debit Process Works:

If you deposit money into your child's account, it will take up to 24 hours to register on the POS system. It is recommended that if your child has depleted funds and need them to be available immediately you send money to the school to be applied at the register. You can send cash, check or money order. If making a deposit by check, please make your check payable to: Metz Culinary Management
