

*Midterm exams begin on **Friday, January 10th, 2025**. Each exam period is 80 minutes, and students will remain with their teachers for the allotted time. Students should bring study materials in the event an exam is completed early. Students only need to attend school when they have an exam scheduled. The cafeteria and library will be available for students if they do not have an exam during that block.*

Students should report directly to their exam and not to homeroom. If you arrive earlier than 7:50 AM, report directly to the cafeteria. During exams, students should not be at their lockers or in the hallways.
